Our primary mission is to improve the lives of dachshunds through education about the breed, proper nutrition, and positive behavior training. We also help homeless dachshunds get the emotional and medical care they need and then find them good homes. We can only save dogs through donations and adoption fees. Many times we have to turn away dogs due to a lack of financial resources and foster homes. Can you Help?

All donations are tax deductible!

If you are interested in adopting or want more information, please [contact us](#).
